We are very pleased to welcome PM Promotions as a sponsor of the Girl's Change Room in our new school!

PM Promotions is a promotions company from Crossfield, owned by local resident Karen Postill. Karen has been operating the business for 7 years and got into the business somewhat by accident. Karen was working as a bookkeeper when she heard the business was up for sale. She thought it looked easy enough to do part time with her bookkeeping job and decided to take the plunge into business ownership. She soon realized that if she were going to make the business a success, she would have to focus her time and attention on it. She did, and has never looked back.

When asked to describe her company in one sentence Karen summed it up as, "Big or small, we can do it all! We are a promotional products company, but we specialize in embroidery and in-house screen-printing too."

When asked about her reason for becoming a sponsor at AKCS Karen says, "It's a growing school and I thought it would be a good way to put my name out there and help at the same time." Her generosity doesn't end with AKCS though and she has a very strong commitment to giving back to her community. Karen says, "I try to give back as much as possible, here in Crossfield mainly. I try to help out the local teams as often as I can." She adds, "Crossfield is a really good place to do business." As it turns out, Crossfield likes her too. In 2012 PM Promotions was honoured with The Crossfield Business Citizen of The Year Award. Way to go Karen!!

Thank you PM Promotions for being a proud supporter of Airdrie Koinonia Christian School!
