

# Kards4Kids

**Why not donate without spending extra money??**

**Kards4Kids is an easy way to get your fundraising dollars!**

You can shop and support our students at ACA with this program without it costing you extra! Shopping is something we all do regularly, so why not purchase shopping cards to make your regular store purchases, or to give as gifts?

If you think about how much you spend on groceries and gas in one month and then add it up you'll know how many cards you'll need to purchase. For example: the average family (of 4) spends approximately \$600 on groceries and \$150 on gas per month. That's \$750 in cards per month! And that doesn't even include clothing, gifts or entertainment! In turn, the school earns on average 4% on each card. All proceeds from this fundraiser go back into our school for our kids.

- Cards can be ordered during any month of the school year **and your family will receive credit towards your Fundraising Commitment (prorated).** For example, if you were to order \$500 in cards from January – June, you would receive \$30 towards your Fundraising Commitment (6 months x \$5).
- **Casual Prepaid Orders:** We also accept casual (no monthly commitment required) prepaid orders. If you spend \$250 in one month you will receive \$2.50 towards your Fundraising Commitment. We will be submitting orders alternating on Thursdays.
- **Monthly or Semi Monthly Commitment:** Auto withdrawal is required for this commitment which we can easily set up with you by getting your banking information.

**Please note \* you can change up your order between the 1<sup>st</sup> and 21<sup>st</sup> of the month for the following order.**

**Tell your friends and family!! They can sign up for a monthly commitment and then YOU would receive credit towards your Fundraising Commitment for their card purchases.**

Please see the attached list for all of the cards that are available for purchase.

We will provide a list of order due dates and pick-up dates in the ACAconnects newsletter. Please see the attached order form which you will need to use when you place your order. **If you have any questions, please email Shellie Wilson at [shelliewilson@akcs.com](mailto:shelliewilson@akcs.com).**
