## INDEPENDENT AUDITORS' REPORT

To the Board of Directors of:  
Airdrie Christian Academy

### **Opinion**

We have audited the financial statements of Airdrie Christian Academy (formerly Airdrie Koinonia Christian School), which comprise of the statement of financial position as at August 31, 2021, statement of operations, statement of changes in net assets and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of Airdrie Christian Academy (formerly Airdrie Koinonia Christian School) as at August 31, 2021 and the results of its operations, changes in net assets and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

### **Basis for Opinion**

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Academy in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### **Material Uncertainty Related to Going Concern**

The School Society's ability to continue as a going concern is dependent upon its ability to realizing assets and discharging liabilities. The School Society has significant working capital shortfall as at August 31, 2021. It may encounter cash flow problem if they are not able to raise additional funds from operations and generate positive cash flows to cover working capital deficiency and future debt repayment obligations. These events and conditions indicate that a material uncertainty exists that may cast significant doubt on the School Society's ability to continue as a going concern. Our opinion is not qualified in respect of this matter.

### **Responsibilities of Management's and Those Charged with Governance for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing these financial statements, management is responsible for assessing the Academy's ability to continue as a going concern, disclosing, as applicable, matters related to a going concern and using the going concern basis of accounting unless management either intends to liquidate the Academy or to cease operations, or has no realistic alternative to do so.

Those charged with governance are responsible for overseeing the Academy's financial reporting process.

### **Auditor's Responsibility for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit.

We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Academy's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Academy's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Academy to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

**AIRDRIE CHRISTIAN ACADEMY  
(FORMERLY AIRDRIE KOINONIA CHRISTIAN SCHOOL)  
NOTES TO FINANCIAL STATEMENTS  
YEAR ENDED AUGUST 31, 2021**

## **1. PURPOSE OF THE ORGANIZATION**

Airdrie Christian Academy (formerly Airdrie Koinonia Christian School) is a Christian day school committed to a Biblical standard of spiritual and academic excellence. The Academy provides children with an education which enable them to grow spiritually, academically, socially and physically so that they are equipped for service to God. The Academy is registered as a charitable organization under the Income Tax Act and as such is exempt from income taxes.

## **2. SIGNIFICANT ACCOUNTING POLICIES**

### **Use of Estimates**

The preparation of financial statements in accordance with Canadian accounting standards for not-for-profit organizations requires management to make estimates and assumptions that affect the reported amount of assets and liabilities, and disclosure of contingent assets and liabilities, at the date of the financial statements, and the reported amount of revenues and expenses during the reporting period. These estimates are reviewed periodically, and, as adjustments become necessary, they are reported in earnings in the period in which they became known.

Significant estimates included in these financial statements include amortization of Property, plant and equipment, amortization of contributions related to property, plant and equipment and ability to collect on accounts receivable.

### **Financial instruments**

Financial instruments are recorded at exchanged value when acquired or issued. In subsequent periods, financial assets with actively traded markets are reported at fair value, with any unrealized gains and losses reported in income. All other financial instruments are reported at amortized cost, and tested for impairment at each reporting date. Transaction costs on the acquisition, sale, or issue of financial instruments are expensed when incurred.

The Academy's financial instruments consists of cash, accounts receivable, accounts payable and accrued liabilities, line of credit, Bow Valley Credit Union mortgage and notes payable due on demand. Unless otherwise indicated, it is management's opinion that the Academy is not exposed to significant interest or credit risks rising from these financial instruments. The exchange value of these financial instruments approximate their carrying value, unless otherwise noted.

The Academy is exposed to liquidity risk as it is dependent on future grants and other school generated funds to fund the ongoing operations.

### **Interest rate risk**

Interest rate risk is the risk that the value of a financial instrument might be adversely affected by a change in the interest rates. Fluctuation in market rates of interest on Bow Valley Credit Union construction loan and line of credit will have a significant impact on the Academy's cash flows and results of operations.

**AIRDRIE CHRISTIAN ACADEMY  
(FORMERLY AIRDRIE KOINONIA CHRISTIAN SCHOOL)  
NOTES TO FINANCIAL STATEMENTS  
YEAR ENDED AUGUST 31, 2021**

**2. SIGNIFICANT ACCOUNTING POLICIES (continued)**

**Revenue recognition**

The Academy follows the deferral method of accounting for contributions. Revenue and expenses are recorded on the accrual basis.

Externally restricted contributions are recognized as revenue in the year in which the related expenses are incurred.

Unrestricted contributions are recognized as revenue when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

Administrative and sundry, fundraising, school generated funds and tuition and registration fees are recognized as revenue as related services are provided and the amount to be received can be reasonably estimated and collection is reasonably assured.

Government grants and membership fees are recognized as revenue in the year to which they relate and the amount to be received can be reasonably estimated and collection is reasonably assured.

Deferred contributions related to property, plant and equipment are recorded as deferred contribution liabilities and recognized into income on the same basis as amortization related to the property, plant and equipment recognized.

**Property, plant and equipment**

Property, plant and equipment are recorded at cost. Property, plant and equipment with a cost less than \$5,000 are expensed in the year of acquisition. Amortization on property, plant and equipment is recorded on the straight line basis the year after acquisition at the following annual rates:

Buildings	40 Years
Equipment and furniture	5 Years
Vehicle	10 Years
Equipment under capital lease	5 Years

The Academy regularly reviews its property, plant and equipment to eliminate obsolete items and determine any impairment. Government grants are treated as a reduction of Property, plant and equipment cost.

**Contributed services**

As with most charitable organizations, significant donations of time and services are received during each year. Due to the difficulties in establishing dollar values for these services, no attempt has been made to include a value for the services in the records of the Academy.

2025	2,357

**9. NOTES PAYABLE DUE ON DEMAND**

The Academy has received \$1,546,987 loans (2020 - \$2,057,888) from third parties of the Academy. The loans carries interest at 0% to 4% per annum. There is no fixed terms for repayment on the loan principal. However, either party can terminate the contract with a 21 calendar days notice to the other party, during which time the full loan principal shall be due for repayment.

**10. DEFERRED CONTRIBUTIONS RELATED TO PROPERTY, PLANT AND EQUIPMENT**

Deferred contributions related to property, plant and equipment represent the funds contributed to the Academy by funders for building a new school. These deferred contributions are recognized as revenue on the same basis as the amortization expense related to the new school building.

**AIRDRIE CHRISTIAN ACADEMY  
(FORMERLY AIRDRIE KOINONIA CHRISTIAN SCHOOL)  
NOTES TO FINANCIAL STATEMENTS  
YEAR ENDED AUGUST 31, 2021**

**11. ECONOMIC DEPENDENCE**

During the year, the Academy received \$1,974,336 (2020 - \$1,792,563) Alberta Government grants, representing 44% (2020 - 46%) of the Academy's total revenue. As such, the Academy's future economic viability is dependent on its continuance to receive such funding.

**12. GOING CONCERN**

The accompanying financial statements have been prepared on the going concern assumption that the Academy will be able to realize its assets and discharge its liabilities in the normal course of business. The Academy has significant working capital shortfall as at August 31, 2021. It may encounter cash flow problem if they are not able to raise additional funds from operations and generate positive cash flows to cover working capital deficiency and future debt repayment obligations.

**13. SUBSEQUENT EVENTS**

In March 2020, the World Health Organization declared the outbreak of a novel coronavirus (COVID-19) as a global pandemic, which continues to spread in Canada and around the world.

As at August 31, 2021, the School Society had made changes in its operation in response to the COVID-19 crisis.

The School Society also received \$396,473 of wage subsidies from the Government of Canada and \$46,610 of rent subsidies from the Government of Canada.

Management believes that some aspects of the disruption to operations may be temporary; however, there is uncertainty about the length and potential long term impact of the disruption.

Commencing September 1, 2021, the School Society is working with Education Unlimited for delivery of Education Unlimited's home education program. The arrangement with Education Unlimited will be reviewed on a yearly basis 90 days prior to June 30. The School Society will be responsible for the administration and delivery of Education Unlimited's home education services for home educated students registered at the school. Education Unlimited will be responsible for their expertise in management of the business, delivery of the home education program and technical infrastructure related to the home education program. Subsequent to the year end, the School Society had received funding from Alberta Education for the home education program to be disbursed as per Alberta Education guidelines.
