

A positive, developmentally appropriate, Biblical and academic foundation sets a joyful learning experience that lasts a lifetime. At ACA, our preschool program foundations are play based and designed to help each individual child grow socially, emotionally, physically, mentally and spiritually. You are your child's first and most important teacher, therefore, we would like to partner with you to provide the best possible start for your child. We desire unity with family, school and church so that together, we can teach and model authentic faith for your child. "Though one may be overpowered, two can defend themselves. A cord of three strands is not quickly broken." Ecclesiastes 4:12. We desire to be a part of the foundation that helps your child grow in faith, wisdom, discernment and understanding.

Schedule:

To meet the needs of the children, schedules are flexible and may change from time to time. Our typical schedule includes:

- Arrival & Indoor Free Play (children participate in planned & free choice activities)
- Circle Time (theme & activities introduced, story, calendar, letters, numbers, songs, prayer and sharing time)
- Sensory, Art, Music and Exploration Time
- Snack
- Physical Literacy (large motor activities)
- Bible Time, Prayer and closing

Children are taught in a low teacher-student ratio of one to eight, lead by our Level 3 Early Childhood Educator.

Preschool students must be 3 years old prior to attending. Jr. Kindergarten must be 4 years old by December 31.

Students in both programs must be able to take care of their own toileting needs.
